Attention: Ms. Tashia Clemons

Attention: Mr. Ted Matley

Dear Ms. Clemons and Mr. Matley:

With this letter, the California Department of Transportation transmits Administrative Modification No. 40 to the Rural non-Metropolitan Planning Organization area portion of the California 2017 Federal Statewide Transportation Improvement Program (FSTIP). This modification increases the programming capacity in the amount of \$1.559 million that relies on the State's programming capacity. The financial plan will be updated to reflect this change in the next FSTIP amendment.

Administrative Modification No. 40 modifies the programming of the following grouped project listings in various counties:

Proj #1: CTIPS ID 230-0000-0066, Grouped Projects for Safety Improvements – State Highway Operation and Protection Program (SHOPP) Collision Reduction Program – increases the total funding by \$5.589 million in various federal fiscal years (FFY) per SHOPP Amendment 18H-005 approved by the California Transportation Commission (CTC) and revises the detailed backup listing of projects.

Proj #1: CTIPS ID 230-0000-0065, Grouped Projects for Bridge Rehabilitation and Reconstruction – SHOPP Bridge Preservation Program – reduces the total funding by \$6.231 million in various FFY 18/19 per SHOPP Amendment 18H-005 approved by the California Transportation Commission (CTC) and revises the detailed backup listing of projects.

Proj #3: CTIPS ID 230-0000-0069, Grouped Projects for Pavement Resurfacing/Rehabilitation – SHOPP Roadway Preservation Program – increases the total funding by \$364,000 in various FFYs and revises the detailed backup listing of projects.

Proj #4: CTIPS ID 230-0000-0031, Grouped Projects for Bridge Rehabilitation and Reconstruction – Local Highway Bridge Program – increases the total funding by \$1.837 million in FFY 18/19 and revises the detailed backup listing of projects.

These changes are consistent with the FSTIP Amendment and Administrative Modification Procedures and have no impact on the rural non-MPO financial constraint or air quality conformity. In addition, there are no projects in this administrative modification that are included in any other amendment that is currently open for public review.

Since administrative modifications do not require Federal Highway Administration and/or Federal Transit Administration approval, these changes have been incorporated into California's 2017 FSTIP. Please note that the approval of this modification does not constitute an eligibility determination of projects for federal funding.

If you have any questions or comments regarding this modification, please contact Lilibeth Green of my staff, at (916) 654-3521.

Sincerely,

Muhaned Aljabiry, Chief  
Office of Federal Transportation Management Program
